

NOTICE

The General Public is hereby notified that the Guyana Revenue Authority is currently in the process automating systems, towards the sale and issuance of Motor Vehicle Licences from various Central and Regional GRA's Offices in the near future. Towards this end, the updating of our database has given rise to the discovery of numerous false documents which were used to support Licences previously purchased at some locations. In these cases, there is evidence that the motor vehicles have not been properly Registered or Transferred.

The Guyana Revenue Authority is therefore encouraging owners and persons who have knowledge of; or are in the possession of such illegally utilized motor vehicles, to come forward voluntarily in order that these vehicles can be properly registered. In the event that such discovery is made during Enforcement activities conducted by the GRA, then failure to have adhered to this warning will result in severe fines and penalties being imposed.

For further information, persons can contact the Licence Revenue Office, at Smyth & Princess Street, Georgetown on Tel: 225-6143.
